

**A BETTER RED**

**Gateway Design**

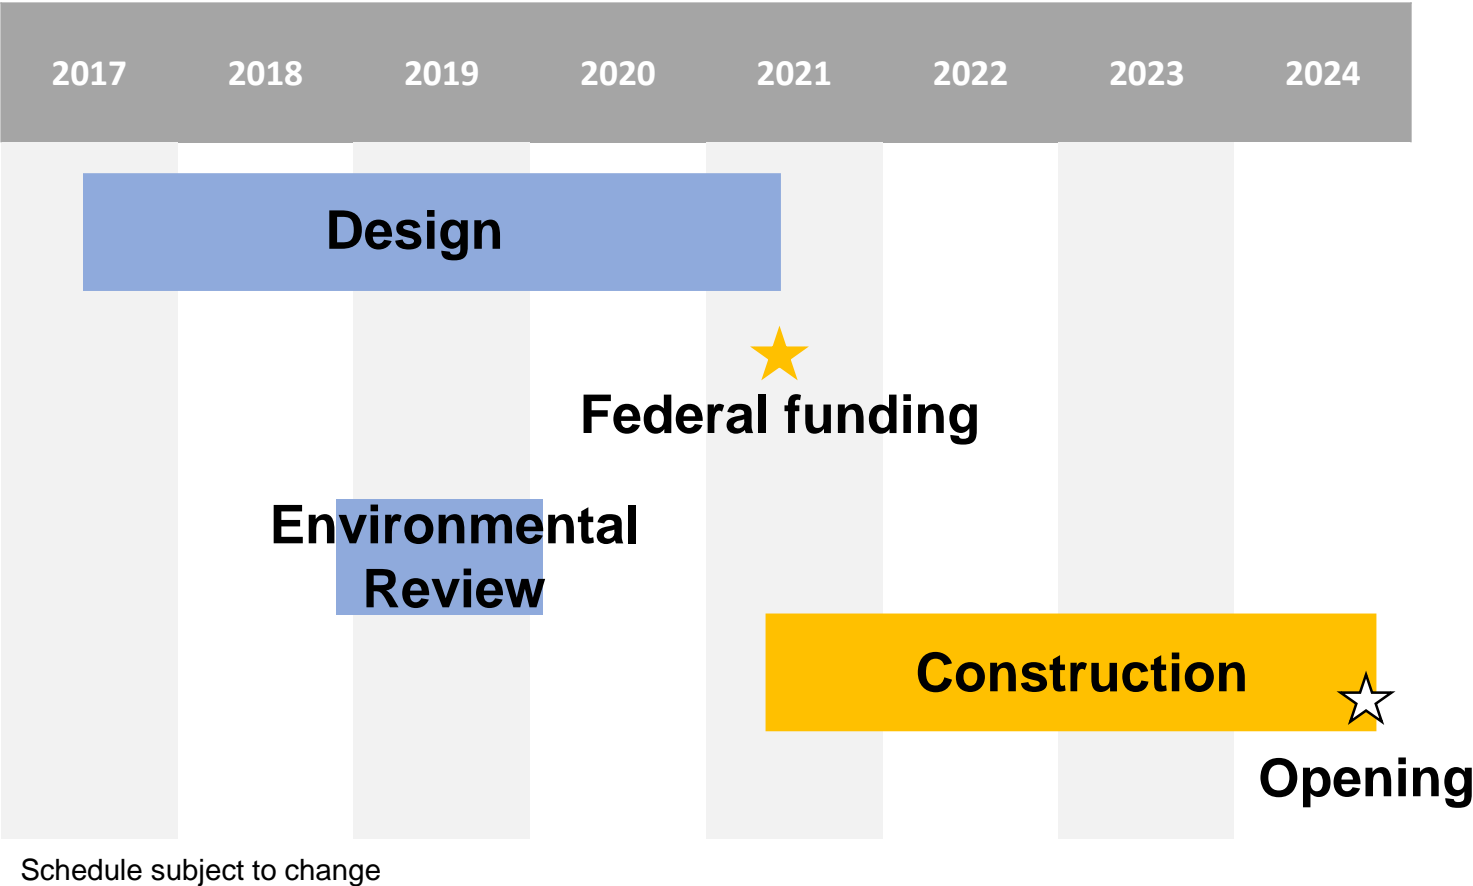

**Open House**

**March 11, 2020**

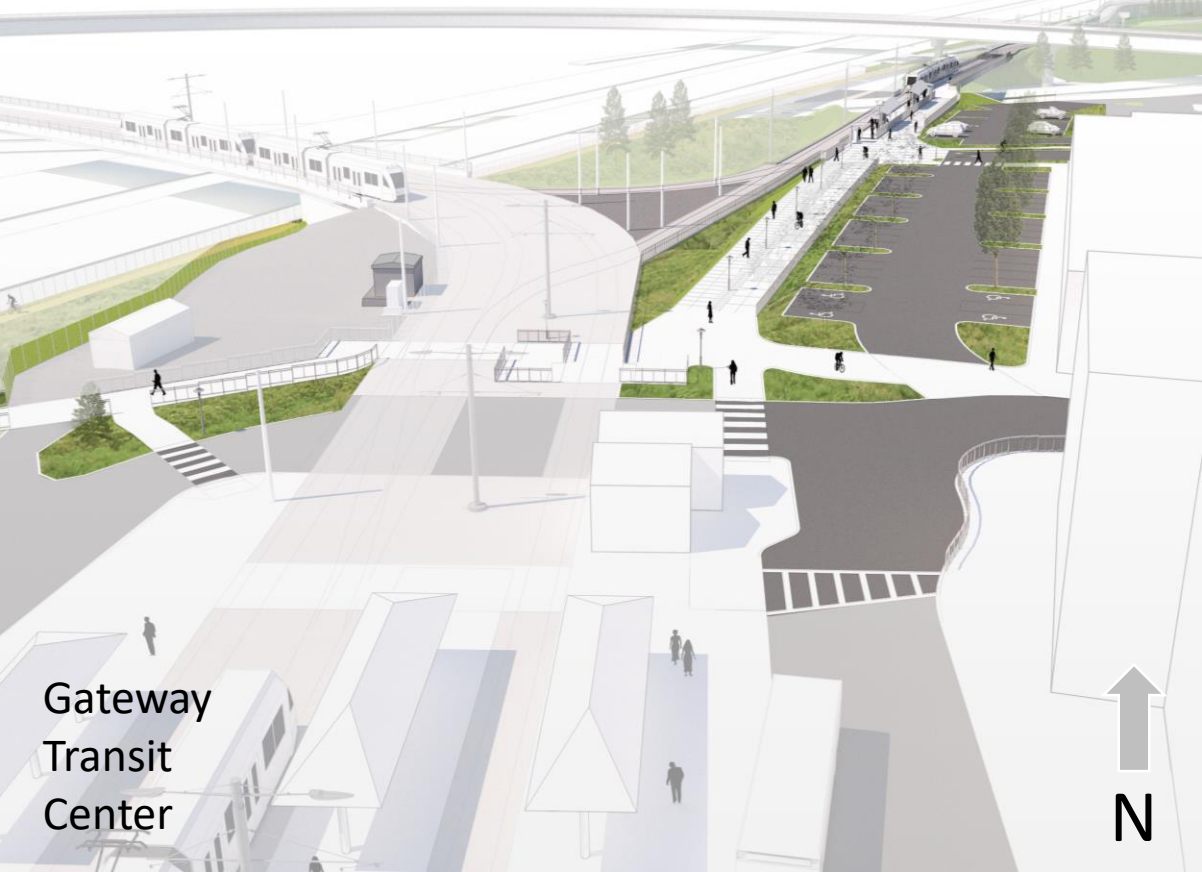

# What we've heard from you + schedule

From previous community engagement on this project, we've heard interests and concerns about:

- Safety and security
- Ease of connection and distance to the new station
- Loitering/camping
- Weather protection

# New platform for MAX Red Line for trains coming from PDX

# Views from the new platform

# Realigned I-205 Multi-Use Path Under New Light Rail Bridge

# Realigned I-205 Multi-Use Path

# Placemaking Examples From Other Projects
