#### RIDE CONNECTION

1. Overall ridership for E&D services for May 2018 increased by 3.3% (+1,063) compared to May 2017. Neighborhood House saw a significant decrease in trips provided (-359). More than half the decrease in trips are a direct result of Ride Connection taking over operations of the Downtown RideAbout. RC East County continues to post excellent ridership increases due to additional drivers, both paid and volunteer, with extra focus on Mid-Multnomah County, where historically there have been many turndowns. RC East County increased trips by 28.1% (+1,146) in May 2018 compared to May 2017. Mary's Woods program remains the primary source of trip decrease across the network (-947). Providence Elderplace also provided 7.2% more trips in May (+701).

- 2. Total costs in May 2018 decreased by 13.9% (-\$102,320) for Ride Connection's network of E&D services compared to May 2017. The decrease in costs is skewed for the network due to a substantial decrease in spending by Providence Elderplace in May 2018 vs. 2017 with a drop of 31.8% (-\$125,497). Other notable variances included MFS with a \$15,565 gain (+19.5%) over the previous year, RC Red with an increase of \$16,902 (+55.3%) and RC East County which posted an increase in spending of 24.7% (+\$10,436).
- 3. The network Cost per Trip (CPT) of \$19.21 for May 2018 decreased by 17% compared to \$23.06 for May 2017. This change is likely due to the decreased costs posted by Providence Elderplace. Ride Connection Red posted a 25% increase in CPT. Other increased CPTs were reported by RC Tualatin (+24%), RC Washington County (+31%) and MFS (+19%).

#### **RIDEWISE**

1. Service Delivery Analysis. A total of 168 persons were served through RideWise's one-on-one, classroom, group and trip planning by phone/mail training.

- 2. A total of 23 persons successfully exited out of the one-on-one travel training, nine of whom were prior participants, returned to learn a new route. Over last month, there was a 32.35% decrease.
- 3. Under the age of 60, a total of 22 individuals successfully exited out of the one-on-one travel training with an average of 9.76 training hours during May.
- 4. Outreach. The RideWise program continues to increase awareness of the program by attending resource fairs, meeting with agency professionals, mailings and presentations at staff meetings, etc. There were 11 events held and attended:
  - The Multnomah County Developmental Disabilities Resource Fair.
  - Presented to Hillsboro DMV on Travel Options.
  - Partner meetings for HB2017 Outreach for TriMet.
  - Metro's RTO Collaborative Marketing Partner Meeting.
  - TriMet's Equity Forum.
  - Orientation for Summer Work Internship for Transition (SWIFT).
  - UCP's 2018 Friends Breakfast.
  - Monthly lunch meeting and info session at ALSO.
  - HB2017 Budget workshop hosted by TriMet.
  - Multnomah County's Transition Team meeting.
  - Demonstration of how the Hop Institutional Site will work.
- 5. Ride Ambassador Program. 76 volunteer hours were recorded for Rider's Club events, committee meetings and outreach.
- 6. Riders' Clubs. The RideWise program supported six Rider's Club activities with 33 participants.
- 7. Referral Sources. There were 58 referrals in May 2018. Seven referrals were from new agencies, or new sources at agencies, with whom a relationship had already been established and six referrals were the result of our travel options counseling efforts.
- 8. School Program. 394 students received training during the month of May. There were 2,531 trips taken as a group and 426 one-on-one trips. 167 teachers and support staff reported several hours of training.

### **SANDY AREA METRO (SAM)**

- 1. SAM ridership continues to increase. SAM provided 12,356 rides in May 2018 compared to 11,276 rides in May 2017, an overall increase of 9.6%.
- 2. All routes showed an increase with the exception of STAR dial-a-ride. SAM-Gresham increased by 7.2% and SAM-Estacada increased by 18%. The Shopper Shuttle increased 160% from 206 rides in May 2017 to 536 rides in 2018. It is the success of the Shopper Shuttle that directly contributes to the decrease in STAR rides. Those who once depended on STAR for daily errands, now have a shuttle option. STAR decreased by 3.87%. ED increased by 5.07%.
- 3. Double Map was chosen for the Intelligent Information Solutions (ITS) for SAM and MHX buses. The SAM app will provide estimated time arrivals and bus locations. The app will also describe bus stop amenities for ADA accessibility and provide traffic updates/delays. We were also able to procure interior LED signs for bus stop announcements and possibly advertising, automated bus stop announcement for better ADA service, driver tablets for better data gathering and pre- and post-trip modules on the tablets for improved fleet management.
- 4. A selection committee of SAM staff, ODOT representatives and a MHX representative selected a contractor for the updated Transit Master Plan in May. Once the Scope of Work and contract language is agreed upon by the State and contractor, the planning process will begin.

# SOUTH METRO AREA REGIONAL TRANSIT (SMART)

1. SMART's Out-of-Town Dial-a-Ride was down by 140 riders over the same time period as last year. Overall ridership is down due to the "Villebois Shuttle" becoming a fixed route service. The graph below provides the salient points between last year and the same time period of this year:

	2017	2018
ADA Paratransit	279	235
Wheel Chair Trips	53	27
Out-of-Town DAR	297	227
Total Riders	629	489

2. SMART met with Mobility Director Mike Mullins from Ride Connection to discuss SMART's ADA/Paratransit programs. Mike's expertise and suggestions were well received. There was consensus around the idea that a dedicated staff person was needed to focus on the program.

## **CANBY AREA TRANSIT (CAT)**

1. During the month of May the total year to date CAT ridership was down by 1.79% as compared to May of 2017. During the same period Demand Responsive trips were up by .013% (2 rides). In the month of May 2018 total CAT ridership was up 12.29% when compared to May of 2017. Over the past year, CAT has been working toward increasing the rides per hour on our Dial-A-Ride service. The goal that was set with our subcontractor was an average of 3.1 rides per hour. In May we averaged 3.39 rides per hour.

## **SOUTH CLACKAMAS TRANSIT DISTRICT (SCTD)**

1. Ridership was down from May 2017. This may be due to the construction on Hwy 213 at Union Mills, which caused SCTD's buses to be off schedule. SCTD had their Administrative Building grand opening on May 23rd. This opening was well attended.
